WORLD NATURE CONSERVATION DAY

Small actions. Big impact.

On July 28, our NSS Unit came together to celebrate World Nature Conservation Day with purpose and passion. Through a series of meaningful activities—tree planting, seed ball making, and a nature pledge—we took a step towards protecting the only home we have.

Nature gives us everything. It's time we give back. Let's choose to care, conserve and create a greener tomorrow.

> THE EARTH DOES NOT BELONG TO US; WE BELONG TO THE EARTH.

One Earth. One Nature. One Future.

OUR ACTIVITIES

- Tree Plantation
- Seed Ball Making
- Nature Pledge

> Conserving nature is not a choice, it's a responsibility.
